Insurance: The Wake County Public School System (WCPSS) furnishes an Interscholastic Athletic Insurance Policy which provides limited benefits for all students in the system who participate in high school sponsored and supervised interscholastic athletic activities. The policy provides excess coverage for students with other insurance coverage, but it pays only when other benefits have been exhausted. In cases in which a student has no other coverage with either a commercial insurance agency, Medicare, or Medicaid, the WCPSS athletic insurance policy is the primary policy.

If your son or daughter should be injured while participating in a high school sponsored or supervised interscholastic athletic event, the following procedures must be followed to process a claim under the insurance provided by WCPSS:

- Pick up a claim form at your school.
- See a physician within 30 days of the injury.
- Complete and submit the Accident Claim form. The claim form must be filed with the insurance company within 60 days of the injury and should include the Explanation of Benefits form from your primary insurance carrier. Please list below the name of your primary insurance carrier and policy number.

NCHSAA Regulations Student Athlete Pledge— As a student athlete, I am a role model. I understand the spirit of fair play while playing hard. I will refrain from engaging in all types of disrespectful behavior, including inappropriate language, taunting, trash talking, and unnecessary physical contact. I know the behavior expectations of my school, my conference, and the NCHSAA and hereby accept the responsibility and privilege of representing this school and community as a student athlete.

Parent Pledge— As a parent, I acknowledge that I am a role model. I will remember that school athletics is an extension of the classroom, offering learning experiences for the students. I must show respect for all players, coaches, spectators, and support groups. I will participate in cheers that support, encourage, and uplift the teams involved. I understand the spirit of fair play and the good sportsmanship expected by our school, our conference and the NCHSAA. I hereby accept my responsibility to be a model of good sportsmanship that comes with being the parent of a student athlete.

NCHSAA Sportsmanship/Ejection Policy—We acknowledge that we, both the student and parent whose names appear below, have read and understand the NCHSAA Sportsmanship/Ejection Policy. We understand that the following types of behavior will result in an ejection from an athletic contest: fighting, taunting or baiting, profanity directed toward an official or an opponent, obscene gestures, disrespectfully addressing an official.

- 1st ejection: 2 game suspension in all sports *except* 1 game for football.
- 2nd ejection: Suspended for remainder of sport season.
- 3rd ejection: Suspended from ALL athletic competition for 365 days from date of 3rd ejection.

Football—Student athletes who are members of the school football team must read, review with parent/guardian, and sign an extra form entitled Safety List for Football Players. This form emphasizes specifics of tackling, blocking, running the ball, basic hitting (contact) position, fundamental technique, and fitting/use of equipment. This form will be available from your football coach and must be completed prior to practicing with pads.

Transportation for Athletic Events—If student transportation is by a Wake County system-owned vehicle, the school system vehicle liability coverage is applicable to any vehicular accident. If student transportation is by private vehicle, the vehicle owner’s liability coverage is applicable to any vehicular accident. Parent or adult drivers should be aware that they may be held responsible for injuries to any individuals they are transporting and must certify that any private vehicle used is covered by at least the North Carolina state required insurance coverage.

All student athletes who travel with a team to an away athletic event must return to the school with the team. The only exception to this policy is when both the coach and parent/guardian agree that it is beneficial for the student athlete to ride home with the parent/guardian. Student athletes are not to ride home from athletic events with any other person.

Medical Authorization—As the parent or legal guardian of this student athlete, I grant permission for treatment deemed necessary for a condition arising during or affecting participation in sports, including medical or surgical treatment recommended by a medical doctor. I understand that every effort will be made to contact me prior to treatment. Also, permission is granted to release medical information to the school and athletic trainer.

Risk of Injury – We acknowledge and understand that there is a risk of injury involved in athletic participation. We understand that the student-athlete will be under the supervision and direction of a WCPSS athletic coach. We agree to follow the rules of the sport and the instructions of the coach in order to reduce the risk of injury to the student and other athletes. However, we acknowledge and understand that neither the coach nor WCPSS can eliminate the risk of injury in sports. Injuries may and do occur. Sports injuries can be severe and in some cases may result in permanent disability or even death. We freely, knowingly, and willfully accept and assume the risk of injury that might occur from participation in athletics.

We, the undersigned student and parent/guardian, certify that the home address shown on this document is my sole bona fide residence and I will notify the school principal immediately of any change in residence, since such a move may alter the eligibility status of my student athlete. We have read this document and understand all of these requirements for athletic participation and agree to comply with the requirements set forth in this document. All information contained in this form is accurate and correct.

Providing false information on this form renders it void and the student athlete may lose athletic eligibility.
