

Athlete Pictures

We have a new way for you to order pictures of your athlete and the team picture. Every athlete will have an individual picture taken. You can go online and order any size and quantity that you want. This is all handled through Wolf Camera at Cameron Village. Once your order is placed, you will pick it up at Wolf Camera. We hope you will like being able to purchase exactly what size you want!

Important note: If you want an "8 x 10" size you will need to order the **"8 x 12"** size. Cropping has caused some 8 x 10 pictures to be incomplete. PLEASE always order "8 x 12" and not 8 x 10.

Here is the procedure:

Go to www.ritzpix.com

At the top in **blue** – click on **Sign In**

The email address is "broughtonathletics@hotmail.com"

The password is "capitals" – it is sensitive to upper and lower case.

Click on "Sign In"

Now – you can select the team/individual pictures you would like to review and/or order.

If you decide to order and pick up at Wolf Camera, make sure when you fill in all the order information, you replace Jack Spain's name with your name. It will default to his name so you will have to change it. If by chance you do not change it – and they cannot locate your pictures at Wolf Camera under your name – ask them to check under Jack Spain.
